

PCOM Volunteer Faculty Digital Library Use Agreement

PCOM is pleased to provide volunteer faculty currently active in the educational program with access to our robust Digital Library. If you wish to have access, please review the following and indicate your acceptance by your signature.

Electronic resources provided by the Library are governed by license agreements with publishers and vendors which contain the following user responsibilities and access restrictions:

1. **Sharing access is forbidden. Your Digital Library account is for your personal use and may not be shared with others in your practice, clinic, health care center, hospital, or institution.**
2. Copyright restrictions apply to electronic formats as well as print. See the United States Copyright Office Circular 21, Reproduction of Copyrighted Works by Educators and Librarians - <http://www.copyright.gov/circs/circ21.pdf>.
3. Downloading excessive portions of databases or electronic journals is prohibited.
4. Posting downloaded material on a website or to an email list is prohibited.
5. Use of material for commercial purposes is prohibited.
6. Material may not be modified or altered; publishers' copyright statements and logos may not be removed.

Publishers and vendors may have additional "terms and conditions" posted on their websites. If you have any questions about your intended use of electronic material, please review licensing agreements posted on individual sites or contact the Library.
